

“Faststream hire offshore manager to drive growth within Oil & Gas sector.”

Building on Faststream’s success in the offshore sector and continued growth in the maritime industry as a whole, Faststream is proud to announce the recent appointment of Mark Compton as manager for Faststream’s offshore division. Marks appointment comes at a time of rapid growth of both permanent and contract recruitment in the Oil and Gas sector.

Mark joins Faststream with over 20 years experience in the recruitment industry and is a valuable addition to the companies growing managerial team.

Mark commented: “I’m excited at the prospect of working for such a dynamic consultancy and within an industry which is experiencing a period of rapid growth. In a sector where good quality people are a scarce commodity, applying Faststream’s first class recruitment practices will benefit both clients and candidates alike.”
